

Human Milk Banking Association of North America (HMBANA) Member Milk Banks with Outpatient Programs

Our team has developed a list of HMBANA Member Milk Banks with outpatient programs (at the time of print). The purpose of this list is to better assist you in finding safe, pasteurized donor human milk (PDHM) from a trusted source.

Please note, each Milk Bank has their own policies, procedures and pricing for PDHM. Many Milk Banks are experiencing record demands for PDHM. Outpatient requests are fulfilled based on availability.
